Appologies in advance for spamming a bit. I do have a lot to shout about, yet still no views.

I'm ChefCloudy, I love this radio station. Tuned in for years, thought to myself why not show off a bit on the forums. Can't hurt can it.

Here is my Blog and a video. I make video's for all my tracks but I don't have a camera. Just a real good phone atm.

Up for colaborations, contact details in my blog.

As always thanks for listening
