so i have been sitting in my studio for a little bit working on a track... the non dj friendly version is up to listen on my myspace page [www.myspace.com/huktonwax](http://www.myspace.com/huktonwax) or [www.waxdj.com/djs/2105](http://www.waxdj.com/djs/2105)

any feed back would be helpful on it

That's pretty cool man, I actually saw that documentary a while back, lolz.

Anyway, sounds like a nice intro for some phatty breakz!!!

YEAYYYAAAAAA!!!!!!!!!!
