DFL Podcast 001 by DROP FRAME

<http://soundcloud.com/dropframe/df1-podcast-001>

In order to start the DROPFRAME Labs podcasts off, here is the first Drop Frame podcast which is an entire Album launch mix played in Melbourne.

Recorded live; at the Fitzroy Lawn Bowls club | 19th of November 2011

A Multi-genre feast which mixes in a multitude of bass music styles, also including some tracks off our first album Monk + recent inspirations.

Full track-list is in the comment section for your convenience.

Enjoy!
