TRUKERS

Ruben Nunez aka TRUKERS is a quality Proggy-Breaks producer from Sevilla, Spain. With an atmospheric and melodic yet powerful mood TRUKERS managed to build a really strong profile in the modern breaks scene since his first remix for MISTIQUE MUSIC back in early 2012. With strong singles and remixes for quality labels like MISTIQUE MUSIC, SPRING TUBE RECORDS, BREAK WIND PRODUCTIONS, V.I.M.BREAKS, ELLIPTICAL SUN RECORDS, MORPHOSIS RECORDS, BREAKS SK RECORDS, RUNE RECORDINGS and DIGITAL SENSATION UK he managed to gain a lot of respect and interest in the scene for his quality atmospheric works. Watch out for his forthcoming V.I.M.BREAKS SPECIAL EDITION SINGLE (together with BASS STATION) called "GRAVITY ON THE DANCEFLOOR" this Autumn, a killer energetic n' powerful Breaks anthem!
